

# CERTIFICATION COURSE IN ANIMATION

**PROGRAM DATES:**  
18 MARCH 2026 to 17 APRIL 2026  
TIME: 10:00 am to 11:00 am

- ★ BEGINNER TO ADVANCED ★
- ★ MULTI-DEVICE LEARNING

Turn Your Ideas into Moving Stories

## ABOUT THE COURSE

Animation is a powerful tool of visual communication that combines creativity, storytelling, and technology.

In modern education, animation helps in making teaching more engaging, interactive, and easy to understand.

This 30-day Animation Course is specially designed for students and future teachers to learn the fundamentals of animation and apply them in educational and creative fields using a mobile, tablet, or computer.
